There was the attached pic plus an attachment. I'm resending the attachment which shows the Monument the Canadian Fallen(Korean War Monument). Make sense?

Hi Brad,

This is the same as the fist image you sent me. I tried to google the Monument the Canadian Fallen(Korean War Monument) and couldn't find it.

Is there one or two monuments?

Thanks,

Marc,
Here is the location of the 2nd monument, which is adjacent to the Mackenzie King Bridge.

Please let me know if you have any questions about the location of either monument.

Hi Marc,
The attached pic is the location of the National Aboriginal Veterans Monument at Confederation Park.

Additionally, the NCR Command Centre will advise the Ottawa Police Service that you will be installing the fencing early tomorrow morning.

Thank you

Good Evening Pat,
Acknowledging receipt of this request to fence in the National Aboriginal Veterans Monument. I have confirmed that our PSPC team will be at Confederation Park tomorrow morning at 6am. The monument will be contiguously fenced with 8'x10' panels to form a perimeter around the monument similar to what was done at the National War Memorial.

We had also received information that the NCC was going to request that the Monument to Canadian Fallen (Korean War Monument) also be enclosed. Can you please confirm if we are to also fence in this monument.

Thank you
